

COVID-19 INFORMATION

Help prevent the spread of respiratory viruses such as Coronavirus

- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then discard in trash.
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Wash your hands often with soap and water for at least 20 seconds.
- Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water is not available.
- Clean and disinfect frequently touched objects and surfaces.

IMPORTANT INFORMATION

What is Coronavirus?

Coronavirus Disease 2019 (also known as COVID-19) is a respiratory illness that can spread from person to person.

What are the symptoms?

- Fever
- Cough
- Shortness of breath

How is it spread?

- Contact with someone with the virus who is sneezing and/or coughing
- Indirect contact from contaminated hands and objects soiled with nasal and throat secretions, such as tissues.
