

To verify that a particular facility accepts your insurance, or if you have questions about the list below or do not see your insurance plan listed, call Stephanie Collins at 850.469.2014 or Julie Taylor at 850.434.4513.

[A Note About Medicare Replacement Plans](#)

There are a number of Medicare replacement plans that are offered in our service area. These plans are also known as **Medicare Advantage Plans**. If a person chooses one of these plans, it completely replaces their Traditional Medicare coverage and is offered through an Insurance Company. A Medicare Advantage Replacement Plan might be a PPO Plan, a Private-Fee-For-Service Plan (PFFS), or an HMO Plan. The Medicare Replacement plans with which our hospitals are contracted and in-network are listed below. There are many other Medicare Advantage Plans being sold in our service area. Baptist Health Care's hospitals accept many of these other plans and are happy to take care of their policy holders' needs. However, the members' out of network benefits might apply. Be sure to verify, with the Insurance Company, whether your in-network or out-of-network benefit will be applied. The Medicare Replacement plans with which our hospitals are contracted and in-network are:

[Baptist, Gulf Breeze, Jay Hospitals:](#)

PacifiCare
Select/Select Plus

Indemnity Commercial Plans

Baptist Health Care Corporate entities accept all Indemnity commercial insurances. To verify benefits, contact your insurance plan first.

Limited Benefit Plans

Most limited benefit plans do not provide coverage for all services. Review your policy closely to determine if it covers Hospital and Emergency Services and if there are annual limits. The insurance you purchase could be limited to physician office visits and preventative care or may just be catastrophic in nature. Once the limited benefits have been exhausted, other sources of funding the care delivered will be explored.

Mental Health Plans

To determine which company administers the Mental Health Services portion of your benefits, the patient or the referring physician's office should first contact the Medical Insurance Plan and inquire regarding the Mental Health Benefit Administrator. Baptist Hospital's Behavioral Medicine Center has contracts with the following Mental Health Insurance Plans to provide hospital services. **If you have other questions, call Diane Majors at 850-437-8270 or Cecelia Arnold at 850-434-4960.**

Access Behavioral Health
Aetna, Inc
Alabama Psychiatric Services (now MHCA)
BlueCross and BlueShield of Florida PPO Plans through New Directions
BlueCross and BlueShield of Florida HMO Plans through New Directions
Cenpatico
Choice Care PPO (a Humana Network)
CorpHealth
Coventry National Networks
Evolutions
HealthSpring
New Directions
Poarch Creek Indians
PsychCare
TriWest
United Behavioral Health
Value Options (TriCare beneficiaries, Commercial and Medicare Advantage)

If BHCC does not have a contract with your Mental Health Benefit Administrator, BHCC is willing to negotiate individual Letters of Agreement for your particular stay if the Benefit Administrator is willing to do so as well.

Workers Compensation Networks

To determine which network your employer's insurance company has chosen to access for work related injuries, check with your employer's Human Resources department. Baptist Health Care has contracts with the following Workers Compensation Networks. If you do not see your employer's provider network listed below, please call Stephanie Collins at 850-469-2014.
